Tongue Twisters for The Japanese

意識して直す、日本人の発音(早口言葉)

by Tamaki Hosoe

カラー印刷して、正確に練習しましょう！

1. "Think the lyric two, three, four, five, six, seven, eight, nine, ten times, and then speak it out!"
2. "Hot coffee and an apple pie, please!"
3. "Write a letter with your right hand under the light!"
4. "Seychelles seashore, Ishikawa!" she said.
5. Fingertips of singers are useful, because music and voice training are closely related to English phonetics. (only singer in 鼻濁音, or nasal g, that the Japanese are good at)
6. "Fight against any violence that may hurt the dignity of a human!"

SPEAK OUT and Distinguish

[th], [f], [v], [s], [sh], [l], [r], and [g].

Singing song is very much useful, for it is fun.

Vowel practice had better be in sentences, for it is stress oriented.
